ASSIGNMENT OF PATENT RIGHTS

WHEREAS, Alcatel USA Sourcing, L.P., a Texas Limited Partnership with an address of 1000 Coit Road, Plano, Texas 75075 (hereinafter "Assignee") desires to acquire the entire right, title and interest in and to several intellectual property assets that are presently owned by Creaton Corp., a Texas Corporation, with an address of 1900 Firman Dr., Suite 650, Richardson, Texas 75081 (hereinafter "Assignor") and are described below.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR hereby assigns, sells, transfers and sets over unto said ASSIGNEE the entire right, title and interest in and to (a) each of the inventions described in the following table and all worldwide rights associated therewith; (b) each of the patent applications listed in the following table, including all divisions, continuations, continuations-in-part, and substitutions thereof; and (c) all United States and foreign patents which shall issue said inventions, including all reissues, renewals, reexaminations and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for Letters Patent on said inventions in any and all foreign countries, and to claim priority under any and all treaties and conventions to which the United States of America is signatory, including the Paris Convention for the Protection of Industrial Property and the Patent Cooperation Treaty, for such corresponding applications, or any division, continuation, continuation-in-part, or substitution thereof, the same to be held and enjoyed by said Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the assignor, had this assignment not been made.

Assignor will, at any time upon the request and at the expense of Assignee, execute and

deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said Assignee, to enable and assist said Assignee to (a) obtain Letters Patent, both domestic and foreign, on said inventions; (b) establish, maintain and secure title in said Assignee, its successors and assigns, to said inventions, applications and Letters Patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

I represent and covenant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said inventions or patent application has been or will be made or entered into which would conflict with this assignment and sale.

I hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent based on said applications and each division, continuation, substitution, reissue, renewal and extension thereof to said Assignee, its successors and assigns.
